AN IMMERSIVE & ENGAGING EVENT PLATFORM

The region's premiere B2B trade event on Agri-Food Technology

The best, inspired from DLG combined with tried and tested concepts from Singapore FinTech Festival and Industrial Transformation ASIA-PACIFIC - **Extensively adapted for the region**

Curated platform to inspire learning, deepen understanding, networking, collaborating, business transactions and adoption of transformative solutions and processes

THE AGRI-FOOD TECH EXPO ASIA EVENT PLATFORM

Exhibition

A curated zone to enable learning and insights demonstrating a "living lab" in action showcasing successful collaborative projects

Sandbox

Free to attend open mic sessions in line with a thematic focus driving co-innovation and collaboration among players in the ecosystem

Living Lab

An Exhibition of latest products & innovative solutions from global suppliers, corporates, start-ups, Institutes and governments; thematic showcases

Communities

Connecting influencers from around the globe to help share knowledge, crowdsource new ideas

UNIQUE VALUE PROPOSITIONS

01

In a strategic partnership with DLG – German Agricultural Society

We have brought together exhibitors with the smartest and latest solutions from the various segments like Productive Technology, Smart Facility Management, Sustainable Finishing Building Materials and Smart Finishing Equipment all in one show for your convenience.

02

Powered By Industry Stakeholders Part of the annual Singapore International Agri-Food Week (SIAW)

Organised by Temasek, Singapore Food Agency (SFA), Economic Development Board (EDB), Enterprise Singapore (ESG), Singapore Tourism Board (STB), Rethink Events and Constellar. Agri-Food Tech Expo Asia is the KEY EXPO EVENT under the umbrella brand of SIAW

03

Immersive & Engaging Event Platform

Curated platform to inspire learning, deepen understanding, networking, collaborating, business transactions and adoption of transformative solutions and processes. The 'Learning Journey' experience A new pit-stop approach (within the exhibition hall) designed to inspire and facilitate self-discovery on the Future of Food and how it applies to businesses and society.

04

The region's only focused exhibiting platform for Agri-Food Technology

and related industries to launch, showcase and testbed products and solutions.

The inaugural edition of the Expo will focus on key themes such as Novel Food Technologies, Aquaculture & Urban Protein Production, Food Safety & Security, Food and Smart Farming.

05

Connecting People and Opportunities

Meet genuine & high-value buyers from ASEAN countries through AFTEA hosted buyers program.

>500 facilitated business matched meetings. Identify, target and secure business meetings with new commercial partners to grow distribution channels.

06

Gateway to the entire community of Agri-Food Tech industry

From local and global agribusinesses, growers, manufacturers, solutions and technologies providers, start-ups, investors, and to wholesalers, retailers.

A Participating Event Of

Agri-Food Tech Expo Asia is a participating event of the annual Singapore International Agri-Food Week (SIAW) organised by Temasek, Singapore Food Agency, Economic Development Board, Enterprise Singapore, Singapore Tourism Board, Rethink Events and Constellar.

SIAW aims to gather world's leading players and stakeholders from the global agri-food industry to share best practices, showcase the latest technologies, to tap business opportunities, and to collaborate towards greater security and sustainability in Asia's Agri-Food system.

BENEFITS OF JOINING

- + SINGAPORE poised to be Asia's urban innovation hub for sustainable agri-food solutions
- + Gateway to Asia
- + Part of the Singapore International Agri-Food Week
- + Strategic and content partner with DLG
- + The only agri-food tech focused exhibition in asia
- + Meet and connect
- + Leads generation
- + Communicate your market presence and brand
- + Global outreach
- + Knowledge transfer

-  **International Hosted Buyers**
-  **>6000 Physically
>4000 Virtually**
-  **>70 Countries**
-  **Sandbox Sessions**
-  **Business Matching**
-  **70% Senior Management**

THE MARKET PLACE FACILITATE BUSINESS TRANSACTIONS

SEVEN EXHIBITION CATEGORIES

Novel Food Technologies

- Plant-based food processing
- Insect based food processing
- Cultivated meat technologies and Genome editing
- Clean label management
- Reformulation
- Ingredients & inputs
- Personalized foods technologies
- Drying, pressing, extruding, isolating

Food Safety & Security

- Food tracking and traceability technologies
- Data management, blockchain systems, cyber security
- Hygienic Design
- Food fraud prevention / food security
- Standards and certification
- Food control, inspection and detection technologies

Sustainability & Resource Management

- Lighting Technologies
- Energy and Resource Saving Management
- Fresh and Waste Water Management
- Water quality control and measuring instruments
- Environmental preservation equipment
- Alternative packaging materials and strategies

Aquaculture

- Novel technologies for aquaculture
- Insect farming technologies
- Species
- Nutrition & feed
- Animal health & welfare
- Land-based aquaculture system
- Closed environment animal farming (insects, etc.)
- Controlled environment systems

Urban/ Smart Farming

- Equipment for Vertical farming and Rooftop Farming
- Equipment for closed environment agriculture
- Autonomous systems
- Lighting, Ventilation & Climate control
- Special Crops and Varieties
- Growing media, Fertilizers, Plant protection
- Aeroponics, Hydroponics
- Facility system providers
- Digital control systems
- Real estate partners

Food Processing & Packaging

- Integrated food harvesting technologies (e.g. 3D, robotics)
- Sorting, weighing, washing/ cleaning technologies
- Pilling, cutting, slicing technologies
- Packaging technologies and materials
- Vacuum technologies
- Labelling technologies
- Robotics, Grippers and Automation technologies
- Digitized processes (Industry 4.0)
- Food preparation technologies (baking, grilling, boiling, blending, pressing, extruding, freezing)

- Alternative Proteins
- Dairy Alternatives
- Sustainable Cell Cultured and Plant-based Proteins
- Sustainable Farm Fresh Produce
- Sustainable Aquaculture Produce
- Novel Food and Ingredients
- Nutritional and Functional

VISITOR PROFILE

- Technology & Solution Consultants and Providers
- Agri-food Companies
- Manufacturers and Suppliers
- Software developers and distributors
- Food Service Providers
- MNC and R&D Centres
- Urban farming and Aquaculture
- Research Institutions
- Innovative Start-ups and SMEs
- Accelerators
- Government Agencies
- Trade Associations and Media
- Venture Capitalists, Investors and Incubators
- Govt and Policy Regulators
- Food and Agritech Companies
- Agri-food Businesses
- F&B Brand Owners and Manufacturers
- Wholesalers and Distributors Importers and Exporters
- Food Establishments
- Institutes of Higher Learning
- Consultancy Think Tanks
- Researchers and Innovation Scientists
- Community & Interest Groups
- Media
